

Please The World

Stand near a tree,
And buzz like bee

Listen to your dog bark,
Take a walk in the park

Smile like a clown,
Watch the sun go down

Watch the flowers blossom,
Paint a picture of a possum

If you want to see nature's power,
Plant a tree or plant a flower

Enjoy drinking organic tea,
And swim with whales in the sea

Take a photo of your cat,
Sleeping neatly on a mat

This nature observation,
Is a good medication

Play rock'n'roll, Sing rock'n'roll,
It will stop drugs and alcohol
